Status Updates:

- Once the work order is active in our system (may take up to 3 business days), you can navigate to the "Repair Update" tab on wrightarmory.com and follow the prompts to view the itemized work order. All updates to your work order will appear in real time.
- In an effort to reduce hold times and the proverbial "phone tag", email is the preferred method of contact; info@wrightarmory.com.
- Our state of the art computer system is fully automated and will give you text message and email updates when work is completed or if we need to contact you for any reason. In order to format these messages we need to know your cell provider.

Shipping:

- We recommend using UPS or FedEx as they are more reliable
- Always ship w/ adequate insurance and packaging
- Shipping w/ a hard-case inside a cardboard is always safest
